

E-BOOK AGIX

Interactive Publications on the Move

E-BookMagix is an interactive platform for the publications in digital forms. The demand for e-Books is accelerating rapidly and readers want choice, flexibility, and ease to read them on their preferred reading devices. They are easier to distribute than their paper counterparts and can reach a bigger audience all over the world. They can be updated and the user will get access to the latest changes at once.

E-BookMagix offers a convenient and enjoyable way to access the content on the move.
