

# EDITOR AGIX

## Ultimate Program Building Tool

**EditorMagix** helps you organize your event program in the easiest manner possible. Define all relevant information such as Sessions Speakers, Halls, Presentations and Additional Information. Abstracts can be added via AbstractMagix . Your program overview is ready in minutes – and can be easily embedded to WebMagix at any time. Program Building never been this practical. Once the program is set you will be able to use integrated search function for sessions and presentations via PrpgramMagix , within minutes each delegate will be able to build his own personal schedule. EditorMagix is integrated to all solutions of EventMagix – any change done in real time updates all EventMagix solutions.
