

# KIOSK AGIX

## World of Information at Fingertips

Using touch-screen technology, Information Kiosks literally put all essential information at your delegates' finger tips. Located throughout your venue, information kiosks can give timely access to key information about:

Program / interactive floor plans / Social events Publication / Sponsors Publication / Notify delegates about last - minute program changes / Conference updates / Information about the Associations / Information about the city and what to do where and when / Information kiosks fully integrated with EventMagix Cloud / Provide interesting post - congress statistics relating to how many people viewed and what
