

Broadcast Your Event

TVMagix is a TV Channel for presenting photos, interviews with key opinion leaders, delegate pictures, audio information, text, time, twitter and weather during event. This allows the organizers to keep participants up to date with the latest changes either via twitter or text. Want to show the participants who missed the opening ceremony a video of it? It can be immediately uploaded into the Event TV and it will be shown on all screens at hall entrance and key locations at the venue.
